

Eligible Districts

January 1, 2010 – December 31, 2010

For the **A List districts (in green)**, participants and alumni are expected to consider the following positions (or their equivalents):

- Superintendent
- Area Superintendent
- Chief Academic Officer
- Chief Operating Officer
- Deputy Superintendent
- Chief of Staff
- Chief Financial Officer

For the **B List districts (in black)**, participants and alumni are expected to consider the following positions (or their equivalents):

- Superintendent
- Deputy Superintendent

Ideally, the tenure of a Broad Fellow assuming a superintendent position would be at least five to seven years. The tenure in a new cabinet position would be two to three years prior to assuming a superintendent position.

To be an eligible district for The Broad Center, school districts must meet certain criteria set by The Broad Center related to size, demographics, and urban designation.

The TBC “A List” criteria for eligibility are:

- All K–12 districts serving more than 100,000 students.
- All K–12 districts serving between 37,500 and 99,999 students in which at least 40% of students are eligible for free or reduced-price school lunch (FRSL), in which at least 40% of their student enrollment comes from minority groups, and that are located in an urban area (based on Common Core of Data information).
- If there is no urban district in the state that meets the criteria listed above, the largest urban district in the state with at least 20,000 students that meets the criteria listed above is considered an eligible district.

The TBC “B List” criteria for eligibility are:

- All K–12 districts serving between 19,500 and 37,500 students in which at least 40% of students are eligible for free or reduced-price school lunch (FRSL), in which at least 40% of their student enrollment comes from minority groups, and that are located in an urban area (based on Common Core of Data information).

The current participants and alumni of The Broad Superintendents Academy are committed to pursue leadership positions in the large urban districts on the attached list.
